

Chores + pocket money tracker

Everybody pitches in with doing chores around the house. Some chores you will do as a way to help out your family. For other chores, pocket money may be rewarded for the extra help.

Now you can track your weekly progress of your chores, and if you are given pocket money, you can record it in the table below.

Write down your weekly chores

Tick which days you do your chores

Keep a tally of how much money you earn
